Hi Seth,

I received a summons you faxed over for chemist Stacey Feiden in the [REDACTED] case. Just to let you know, Stacey no longer works here in the drug lab. However, the GC/MS confirmatory chemist in this case was Annie Khan.

I would suggest that you be in touch with Annie if you need to discuss the availability of her testimony and the possibility that she could review the notes of Stacey and offer testimony based on that review.

If you have any questions please do not hesitate to call me at 617-983-6622.

Thank you,
